

Advantages of YEROTH-ERP-3.0 Compared to other top ERP Software-Systems

YEROTH-ERP-3.0 is a very easy to use ERP (Enterprise Resource Planing) software-system because of its characteristics:

1. separate views for each user role
2. complete and fundamental training in 5 days
3. easy to use graphical user interface (GUI)
4. no college or university training needed
5. no formal business training needed
6. no financial accounting training needed
7. no internet connection needed.
